

**U.S. Environmental Protection Agency Region 7
Proposed Plan Record of Decision
Cherokee County Superfund Site
Cherokee County, Kansas**

The U.S. Environmental Protection Agency has scheduled a Public Availability Session to share information on the Cherokee County Superfund Site. EPA representatives will discuss the Proposed Remedial Action Plan for the Operable Unit 08 - Railroads Subsite and be available to answer questions related to the plan. Participants will also be given the opportunity to submit formal comments on the proposed plan.

The public availability session will be held:

**August 15, 2016
6:30 – 8:30 p.m.
Baxter Springs Community Center
1101 East Ave.
Baxter Springs, Kansas 66713**

*For reasonable accommodation contact Jonathan Cooper at 800-223-0425 or
cooper.jonathan@epa.gov.*

PUBLIC COMMENT PERIOD:

EPA encourages public participation and will not make any final decisions on a cleanup alternative until thoroughly reviewing all comments received from the public. The 30-day public comment period will begin August 6, 2016, and end on September 6, 2016. More information about the site can be found in the Administrative Record, which is available online at: <https://semspub.epa.gov/src/collections/07/AR/KSD980741862>.
